Required Year End Data (please supply all that are applicable to your program):

Prevention/Education Grants:

1. Pre/Post test information;
2. Population and number served;
3. Program evaluation information (i.e. participant surveys, or program specific tools);
4. Any other programmatic data you feel would demonstrate the success, or challenges, of the program;
5. Drug testing grants (number tested, number of positives, number or percentage of those positives that contained marijuana, alcohol, or prescription drugs).

Justice/Law Enforcement Grants:

Service Provided (i.e. overtime enforcement, time spent on preparation or prosecution of cases, etc.):

1. Number of hours worked;
2. Stops/arrests made, or cases assisted with and closed (with breakdown of charge).
3. Any other programmatic data you feel would demonstrate the success, or challenges, of the program.

Equipment purchased:

1. Number of stops/arrests made as a result of the equipment purchased;
2. Any other programmatic data you feel would demonstrate the success, or challenges, of the program.

Treatment/Intervention Grants:

1. Population and number served;
2. Total number of cases involved with grant funds.
3. Number or percentage of the total cases that have marijuana, prescription drugs, or alcohol as their main drug of choice.
4. Number requiring assessment.
5. Number requiring treatment following assessment;
6. Drug screen information (number of screens, number positives, number or percentage of those positives for marijuana, alcohol, or prescription drugs);
7. Any other programmatic data you feel would demonstrate the success, or challenges, of the program.

Requested Organizational Data and Information:

Prevention/Education:

1. Any organizational ATOD (alcohol, tobacco and other drugs) survey information;
2. Any programmatic pre/post test information that would assist in assessment of community ATOD issue identification;
3. Prevention programs that are being run by your organization;
4. Suspension/Expulsion Information including total number and number ATOD related;
5. Trends your agency is seeing with regard to alcohol and drugs.

Treatment/Intervention

1. Number of individuals participating in your treatment programs;
2. Percentage of those individuals who have marijuana, alcohol, or prescription drugs as their primary drug of choice.
3. Organizational drug screen information with a breakdown of number of positives with the percentage of those positives containing marijuana, alcohol, or prescription drugs. If there is another substance that is showing up regularly, that information would be helpful as well. This will assist us in identifying the problem statements in future comprehensive plans;
4. Trends your agency is seeing with regard to alcohol and drugs.
 - *We are by no means requesting names or private information. We only need total numbers to assist us in assessing the issues in the community.*

Justice/Law Enforcement

1. Number of alcohol and other drug arrests with breakdown of charges;
2. Number of alcohol and other drug cases filed with breakdown of charges;
3. Number of alcohol and other drug convictions with breakdown of charges;
4. Major drug seizures with amounts seized;
5. Trends your agency is seeing with regard to alcohol and drugs.
